Welcome Home

Harmony Point Memory Care of Cedar Park is a family owned and operated senior living community offering exceptional Alzheimer and Dementia care.

We truly believe that what sets our community apart is the people who work here. Our staff is committed to provide the finest assisted living and memory care service possible.

The enhancement of life to our residents will come from our strong commitment to quality of care, and the family values we incorporate.

Our family shares the dream of enriching the lives of the dementia resident and their families.

Harmony Point offers a memory care that provides our residents with a life filled with warmth, activity and feelings of home. Our progressive neighborhoods provide specialized programming for residents at various stages delivered by uniquely trained care partners.

Helpful Information

Communication with a person with dementia requires patience, understanding and good listening skills. The strategies below can help both you and the person with dementia understand each other better.

TIPS TO TRY

- Treat the person with dignity and respect
- Give Visual Cues
- Patiently wait for a response
- Speaking clearly and slowly, using short sentences
- Don't ignore the person
- Smile and make eye contact
- Consider using a gentle touch to ask for their attention
- When the going gets tough, distract and redirect
