

## OUR PHILOSOPHY

At Legacy Oaks our highly experienced staff members believe that quality of life requires living with passion – at every age – from lifestyle programming to culinary experiences to wellness and more. Our community is privately owned and operated and we are deeply passionate about creating warm, caring and engaging environments for the residents who call Legacy Oaks home.

## MEMORY CARE

Legacy Oaks offers exceptional Memory Care in a small neighborhood with just 10 suites on each of 2 floors. We choose to keep our Memory Care community intimate in size, ensuring safe, vital, personal attention.

We offer both private and companion suites with a comprehensive monthly fee that includes medication management, personal assistance with dressing, showering, grooming, scheduled toileting and more.
